

## MOVEMENT GROWING

### Majority of Men Oppose a Strike.

Over 6,000 Employees on the N. C. & St. L. Ry., Sign Petition to Congress.

Brotherhood Men, in Same Territory, Number Less Than 1,500—Petition Request Action to Prevent Threatened Strike.

Nashville, Tenn., August 7.—More than 6,000 employees on the N. C. & St. L. Railway have signed a petition to be presented to Congress asking that legislation be enacted to prevent a threatened strike of transportation workers and the causing of suffering and loss to the great majority of railway employees who do not want a strike.

The movement among the non-brotherhood employees is spreading to other lines, and indications are that it will assume nationwide proportions. The action of the men on the N. C. & St. L. shows that the great majority of men in railroad service do not want a strike. This is demonstrated by the fact that within four days more than 6,000 employees had signed the petition of protest over the same territory in which the brotherhoods have less than 1,500 members. It is pointed out in the petition that less than 20 per cent of railway employees (the brotherhood men) should not be permitted to throw out of work the majority of employees (or the non-brotherhood men). It is also pointed out that the brotherhood men, who are threatening to paralyze commerce in the country to gain increased wages, are at present among the highest paid workmen in the country, and that by insisting on further advances they are preventing the representatives of the 80 per cent of men engaged in railroad service from their chances of earning more money, and at the same time throwing them out of work while their own demands are being pressed.

Manufacturers all over the country are also beginning to wake up to some facts. Most of manufacturing plants are constructed so that no provision is made for large storage of raw materials or of finished products, and they are dependent upon the movement of their goods daily. If the strike is called, then the manufacturing plants can only work up what stocks are on hand and their employees will have to sit idly by until the strike is settled, although they have no part in the controversy. Business men generally see the wide-spread danger to other industries dependent upon railroads for their operation, and these are some of the reasons why there is almost a universal demand for a fair and a just arbitration.

#### Smithsonia, Ala.

J. G. Colbert, Douglas and Henry Mitchell came in out of breath about 2 o'clock Saturday night. Guess they must have run some. They can't make their stories match about their trip to the country.

The U. S. S. Lookout came down Monday with Capt. Bain on board. Messrs. H. C. Nichols, Colbert Douglas and Wilford J. Scofield attended the Children's Day exercises at Lyles' Academy Sunday.

The steamer, "Clyde," made two trips by here with pig iron Sunday. Mr. and Mrs. Jean "Ford," it is Sheffield Saturday, returning Sunday, bringing Miss Moore, of Sheffield, for a visit with them on U. S. Derrick No. 5.

Messrs. B. F. Coles and H. C. Nichols were last seen Sunday night in a Ford, headed for the country around Pinedale and Magnolia Grove. Herbert Darby spent Sunday with home folks and his best girl.

The Government boys held a dance on U. S. Quartermaster No. 9 Friday night, with music by the colored Smithsonia band.

Mr. and Mrs. Byers, Mrs. E. R. Wicker and James Byers, Jr., went to Florence Sunday night.

One Among Them.

## SINGING CONVENTION DATE IS CHANGED

The date of the Marion County Singing Convention, which was set for Sunday, Aug. 20, has been changed to Sunday, August 27. The Vanghn Quartet has been engaged for this event and other good singers as well, and it is believed it will be the greatest singing convention ever held in Sequachee Valley. It will be held on the Fair Grounds at Richard City, and a very large attendance is expected.

The government has awarded to a New Orleans firm a contract to supply the soldiers along the border with 100,000 pounds of candy during the next three months.

## A PROSPEROUS INDUSTRY.

Among its many claims to distinction California boasts of being the home of the lima bean, and in Ventura county that industry is becoming most prosperous. About 50,000 acres are under cultivation, and the fact that the beans bring in such remunerative prices in enriching that favored section. In 1912, 1,235,000 bags of these beans were produced in the counties of Ventura, Los Angeles, Santa Barbara, San Diego, and Orange.

Formerly, when the industry was young and methods of marketing unknown, these beans sold for \$1.35 the bag; but at the present time, and under an organization of the lima bean growers, they sell for \$3 per 100 pounds. An ex-Memphian, who went to that section not long ago, received \$4,000 for his bean crop, which was raised on a farm of 130 acres. Lima beans are cultivated in other sections of the country, but they are more or less garden ornaments, and must be held up by poles or some sort of frame work. In California the beans are planted or sowed in drills, and between these drills the land is cultivated until the vines begin to spread, when they soon cover the ground in matlike form. After that no more can be done on them. The rainless summers enable the beans to mature without rotting, as is the case in other sections, where they must be held above the ground. They are harvested by machinery, threshed and sacked by machinery, and marketed by the most economical methods. One exceptional thing about the lima bean, which characteristic of all legumes, is that instead of being a tax upon the land it fertilizes the soil upon which it is raised, and every year the land becomes more productive and crops more profitable. Lima beans could be raised in some parts of Tennessee and the surrounding country, and the crops would be profitable if only plowed under and used as a fertilizer. The lima bean stalk absorbs a wonderful amount of oxygen from the atmosphere which it discharges thru its roots into the ground, thus enriching the soil.—News Scimitar.

#### Grundy County.

TRACY CITY, Tenn., Aug. 3.—Grundy county results are as follows: E. W. Hamby, democrat was elected sheriff over John A. Cline, republican, by 22 majority; J. C. Haley, republican, was elected trustee over John Gallagher, democrat, by 231; S. D. Hillis, democrat, was reelected tax assessor over I. A. Levan and William Smith, all democrats. Out of a total of about 1,400 votes, 300 voted for the constitutional convention and 500 against.

#### THE SILO PAID THE BILLS

(By C. E. Allred, Division of Extension, University of Tennessee.) In making a study of the silo situation in Barron county, Wisconsin, over a period covering four years, it was found that out of the 104 farms studied, 15 had no silos and made a profit of \$355 per year, while 89 farms had silos and made a profit of \$746 per year.

#### A WOMAN'S KINDLY ACT.

Mrs. G. H. Eveland, Duncan Mills, Ill., writes: "I was stricken with lumbago, unable to turn in bed. A neighbor brought Foley Kidney Pills. She had been similarly afflicted and they cured her. I was cured by three bottles." If the kidneys do not function, lumbago, rheumatism, aches, and pains are apt to result. For sale by J. W. Simpson & Son, Jasper, Tenn.

W. K. Martin returned yesterday from Monticello where he had been since Sunday, having accompanied his son-in-law, O. B. Granum, as far as that place.

## ELECTION RESULTS

The results of the election last Thursday were peculiar.

John A. Hoge, democrat, who was believed to be the favorite for trustee, lost the race to S. L. Rogers by 47 votes. Mr. Rogers is a republican.

Contrarywise a democrat was elected sheriff. M. F. Jackson won over G. W. Coppinger, republican, by 84 majority.

Smith, democrat, was elected tax assessor. Alder, republican, putting up no fight.

For several reasons we failed to get the vote as officially canvassed, and all we have to publish is the vote we secured over the telephone.

F. L. Minor received 430 votes for Member of Board of Education for this district. He had no opposition.

	Hoge	Rogers	Jackson	Coppinger
Brown School Ho.	2	15	10	7

#### Kimball.

Special to the News.

Mrs. Martha Clonch is visiting her daughter, Mrs. Rosa Jarotte, this week. Annie Thach spent Sunday with Kate Allan.

Alice Garner, of South Pittsburg, spent the week-end with Mamie Ramsey.

Clyde Ferguson called on Emma Kelly Sunday evening.

Reid Layne spent the week-end in Chattanooga with his sister, Mrs. A. T. Thach.

Kate Thach spent the afternoon with Evelyn Allan Sunday.

Rev. Cobble started a revival here Tuesday evening.

George Campbell was in Kimball Sunday.

Albert Layne, of Chattanooga, is the guest of his uncle, W. M. Layne.

Mrs. Tom Collins, who has been very ill, is slowly improving.

Gracie Owen and Miss Mitchell, of Chattanooga, were the guests of Miss Lula Simmons Sunday.

Mrs. J. R. Tanner and little daughter, Virgie, were visiting relatives in So. Pittsburg Wednesday.

Mrs. Zettie Knight is visiting her mother this week.

Mr. and Mrs. Forrest Simmons and little son, Chester, visited Mrs. M. H. Doss Sunday.

Louise Allan and Mae Hendrix spent Sunday with Edna Stark.

Kate Braden is visiting Mrs. M. H. Doss this week.

Annie Gay Kelly spent Wednesday morning with Annie and Kate Thach.

Horness Spear returned home from Alabama Sunday.

Prentice Graves and Walter Birdwell were in the city Sunday.

Miss Lillie Tanner spent the week-end with Miss Pearl Levan.

Mr. and Mrs. Tom Garland spent the week-end with the latter's parents, Mr. and Mrs. M. F. Thach.

Miss Ethel Thach spent the week-end with her parents, Mr. and Mrs. M. F. Thach.

Mr. and Mrs. Hugh Lewis were in Kimball Sunday.

Mr. and Mrs. McGill spent Sunday with Mr. and Mrs. J. M. Allen.

Gipsy Kids.

#### Mrs. Mary Perkins Dead.

Mrs. Mary E. Perkins died at her home in North Chattanooga Monday night at 9 o'clock, July 31st.

The remains were brought to Dunlap Wednesday and were carried immediately to Chapel Hill, where the burial took place at 1 o'clock.

Those accompanying the remains were Mr. and Mrs. M. L. Perkins, Mrs. Ada Thompson, Mrs. Hallie Smith, Mr. and Mrs. Sam Perkins, Henry, Miss Lillie, Willie and Edith Perkins, of Chattanooga; Mrs. Maude Hodge, of W. Va., and Henry Hatfield, of Giles county.

Mrs. Perkins is survived by three sisters, Mrs. M. L. Perkins, Mrs. Ada Thompson, of Chattanooga, and Mrs. M. E. Layne, of Ocala, Fla.; one brother, Henry Hatfield, of Giles county, and the following children, Mrs. Maude Hodge, of W. Va.; Sam, Miss Lillie, Henry, Willie and Edith Perkins, of Chattanooga.—Dunlap Tribune.

Because red is the color least easily distinguished by color blind persons, experts have advocated blue disks with wide yellow rims for danger signals.

## MARION TRUST & BANKING CO.

JASPER, TENN.

Combine absolute safety with satisfactory service.  
Give particular attention to business of farmers.  
Invite new accounts upon our merits for strength and superior facilities.

A strong bank can accord liberal treatment to its patrons. Our past policy and ample resources are our guarantee for the future.

## We Want Your Business

## A. R. PRYOR TO BUILD EXTENSIVE GARAGE.

Jasper, Tenn., Aug. 5.—A. R. Pryor, of Jasper, will build a very large garage and machine shop in Jasper, one mile south of his present location. He has purchased lots on site of fire last fall, paying therefor a fancy price, but they are very centrally located. He will erect thereon a large building with every convenience that electricity can give. The building will be constructed on the Kahn system of steel frame and reinforced concrete. Besides garage equipment it will contain a complete machine shop for the repair of any class of machinery. At present Mr. Pryor handles a very wide range of work from brazing and welding on up to the most precise machine work. Another department makes a specialty of repairing tires by the vulcanizing process. A third department specializes the repair and recharging of storage batteries. Mr. Pryor has a fine corps of workmen, and being of great natural genius himself in mechanics, no job gets a turn down from the Pryor shop that could be done anywhere. At present the Pryor shops are located one mile north of Jasper, but will begin in the near future on the new fire proof buildings and when finished removal will be made to them.

#### J. R. Parker Dead.

Mr. J. R. Parker died at the home of his son-in-law W. S. Metcalf, last Monday morning a week ago, at the age of 72 years. Mr. Parker had been in bad health for the last few months but seemed to take his sickness as attributed to his age. For years he has been a member of the M. E. Church South, and always lived the life of a Christian, helping his fellowman. Mr. Parker was in his younger days a very active business man, at one time running a large dairy at Monteagle, and farming on a large scale. Funeral services were held at his old home, Vervilla, Tuesday and were conducted by Revs. B. L. Stroud, and Martin, and he was buried in the Vervilla cemetery by the side of his wife, who preceded him some years ago. He leaves to mourn his loss, four children, Mrs. W. S. Metcalf, Miss Eunice Parker and Wilson Parker, of this place and B. R. Parker, of Birmingham.—Mrs. Grundy, Tracy City.

## BRIDGEPORT HOSIERY MILL STARTS OPERATIONS

Bridgeport, Alabama, Aug. 5.—The Bridgeport hosiery mill started operations Tuesday of this week. Not all the machinery has been received, and only 40 are employed, but others will be added until the full complement of 200 is employed.

#### Over \$1000 Worth Seeds.

Jasper, Tenn., Aug. 3.—In the produce store of W. H. Simpson, this city, may be seen over \$1000 worth of grass and clover seed, probably the largest single shipment of these seeds ever brought to this county. Farmers are going into cover crop growing extensively in this county and it takes lots of seed to furnish them. Their lands are bound to increase in fertility in consequence.

The population of Canada is little more than that of London.

## QUANTITY BOOTLEG WHISKEY FOUND.

A large quantity of whiskey was found near Dunlap Friday evening by Officers Joe Howard, Turner, and G. W. Smith. The whiskey is said to be "wild cat." It is supposed to have been hid by parties returning to this city from Chattanooga. The officers are to be congratulated for their success in securing this booze, and it is to be hoped that the guilty parties will be brought to justice, and that the full penalty of the law will be imposed upon them. It is a regrettable fact that Dunlap has within her borders men who will engage in the nefarious and outlawed business of bootlegging, when they are able, mentally and physically, to make a living at some honest avocation. The citizens of Dunlap are thoroughly aroused over the condition of affairs here and are determined that this immoral traffic shall be stopped and the guilty parties punished. Ed Taylors proprietor of the pool room, was arrested in connection with this matter and bound to the grand jury Wednesday by Esq. John Sexton in the sum of \$250.00.—Dunlap Tribune.

#### Dallas Texas.

Special to the News.

We have just been so busy the last few weeks saving the country and turning the rascals out that I could not get a chance to write.

Sunday, Mr. and Mrs. W. A. Goode and I left Dallas for the Ford route to visit Mr. and Mrs. E. C. Bracken, of Greenville, Texas, a distance of 65 miles and made the trip in three hours. We had the time of our lives and returned to Dallas at 9 p. m., Sunday.

Corn and cotton are looking fine. The early corn was damaged by dry weather. The melon and sweet potato crops were greatly benefited by the late rains.

I was very sorry to see the account of the death of Mrs. Shirley, of Shirleyton. I have known Mrs. Shirley all of my life. She was my cousin, and older than I. Mr. Shirley has lost a good wife. The other brothers and sisters have lost a loving sister, the community has lost a valuable citizen.

Since starting this communication at noon, we have had a fine rain, lasting about three hours. It will be of great help to the growing crops and general health.

When I get my paper, I hope to be entertained by several good letters from the writers of the News, "Old Joe," "J. G.," and many others.

I have been around looking at our new terminal station which is nearing completion. They are moving office fixtures into the interurban station. The time set for the opening of the railroad station is Sept. 15. It is one of the finest to be found anywhere. All of the modern conveniences the traveling public can dream of will be used. When it is opened to public use, everything that can be for safety will be.

Lone Star.

#### Gone Out of Business.

JASPER, Tenn., Aug. 8.—M. W. Ranslett & Co., of this place, who have been in business for the past three years, have sold their general merchandise business to Joseph Graham.

#### SCOFFERS PAY THE PENALTY.

Those who ignore warning signals of disordered kidneys and scoff at dangers of serious consequences often pay the penalty with dread diabetes or Bright's disease. If you have lame back, pains in sides, sore muscles, stiff joints, rheumatic aches—take Foley Kidney Pills and stop the trouble before it is too late. For sale by J. W. Simpson & Son, Jasper, Tenn.
